

Conditions of Entry

1. Entries are received on the basis that the society will take reasonable care of exhibits but shall not be responsible for any loss, destruction or damage and the owner shall have no claim whatsoever against the society.
2. The society reserves the right to refuse to accept any plant tendered for exhibit.
3. All orchids must be labelled correctly, and must be shown in the section and class in which they are entered. No plant may be entered in more than one class but may be included in a display. A plant entered in the wrong class will be moved to the correct class.
4. All plants entered shall have been the property of the exhibitor and be grown by him/her for a period of not less than six months preceding the show. The declaration on the back of the entry cards must be signed by the exhibitor.
5. Seedlings shall be a plant grown from seed and be flowered for the first time. The plant shall be a whole plant that has not been divided. No flowers can be removed from the plant unless the plant is sequential flowering. Sequential flowering plants only retain their seedling status up to and including the third flower. Seedlings are not required to have the necessary flower count to be entered, plants not meeting required flower count for the genera cannot be included in Championship or Award Judging.
6. Only members of the Albany Orchid Society are eligible to hold perpetual trophies.
7. Cash prizes will be awarded to 1st, 2nd and 3rd place winners in each section, other than trophy winners.
8. All plants must be entered and staged at 3pm at North Road Shopping Centre, the day prior to the show, if unable to do so due to work commitments, please notify.
9. If in the opinion of the judges, any exhibit does not warrant a prize, they may elect not to make an award.
10. Judging will be carried out under the WAOCJP judging guidelines. The judge's decision is final.
11. The Show Marshall reserves the right to remove or rearrange the exhibits.
12. No plant may be removed by the exhibitor or his agent prior to the termination of the Show, which shall be 12.30pm on the Saturday of the Show.
13. All exhibits must be capable of being presented on the staging provided by the society and all baskets with pendulous racemes must be safely staged.
14. Any exhibitor unsure as to which class to enter a plant should seek the advice of the Registrar of Judges, or Chairman of the Judging Panel and have the entry card signed by them. A query table is provided for this purpose.
15. Primary hybrids must be shown in the relevant Primary Hybrid Class unless they are eligible to be entered as a seedling
16. Species must be entered in their relevant Species Class unless they are eligible to be entered as a seedling.
17. Pure Colour Cymbidiums must be entered into their relevant classes unless they are eligible to be entered as a seedling.
18. Staking and tying for support is permitted. The judging panel has the right to remove any staking and/or tie if necessary, in order to ascertain the strength of the inflorescence. In all genera, no inflorescence is to be tied or supported on any part of the flower or attachment to the inflorescence. Staking should as unobtrusive as possible and not protrude above the inflorescence. Excessive use of ties or clips is undesirable.
19. Primary Hybrids and Seedlings must have their immediate parentage written on the entry card.

Albany Orchid Society Show Schedule			
Revised 2020			
Cymbidium (Excluding Australian Natives)		Open	Novice
	Any Species	1A	401A
	Any Primary Hybrid	2A	402A
	Seedling Over 110mm	3A	403A
	Seedling Over 90mm to 110mm	4A	404A
	Seedling 60mm to 90mm	5A	405A
	Seedling Under 60mm	6A	406A
	Non Standard (Any Size)	7A	407A
	Peloric (Any Size)	8A	408A

Cymbidium Large Over 110mm (Excluding Australian Natives)	Minimum of 7 Flowers Desirable		
	Predominantly White	9B	409B
	Ivory / Pastel or Blush	10B	410B
	Predominantly Yellow	11B	411B
	Predominantly Green	12B	412B
	Predominantly Red	13B	413B
	Predominantly Pink	14B	414B
	Pure Colour	15B	415B
	Predominantly Any Other Colour	16B	416B
	Specimen Plant (3 racemes)	17B	417B

Cymbidium Standard 90mm to 110mm (Excluding Australian Natives)	Minimum of 7 Flowers Desirable		
	Predominantly White	18B	418B
	Ivory / Pastel or Blush	19B	419B
	Predominantly Yellow	20B	420B
	Predominantly Green	21B	421B
	Predominantly Red	22B	422B
	Predominantly Pink	23B	423B
	Pure Colour	24B	424B
	Predominantly Any Other Colour	25B	425B
Specimen Plant (3 racemes)	26B	426B	

Cymbidium Intermediate 60mm to 90mm (Excluding Australian Natives)	Minimum of 7 Flowers Desirable		
	White / Ivory / Pastel / Blush	28C	428C
	Predominantly Yellow	29C	429C
	Predominantly Green	30C	430C
	Predominantly Pink	31C	431C
	Predominantly Red	32C	432C
	Pure Colour	33C	433C
	Predominantly Any Other Colour	34C	434C
	Pendulous / Cascading	35C	435C
	Specimen Plant (5 racemes)	36C	436C

Cymbidium Miniature 60mm & Under (Excluding Australian Natives)	Minimum of 7 Flowers Desirable		
	White / Ivory / Pastel / Blush	38D	438D
	Predominantly Yellow	39D	439D
	Predominantly Green	40D	440D
	Predominantly Pink	41D	441D
	Predominantly Red	42D	442D
	Pure Colour	43D	443D
	Predominantly Any Other Colour	44D	444D
Specimen Plant (5 racemes)	45D	445D	

Cymbidium Pendulous/Cascading 60mm & Under (Excluding Australian Natives)	60mm & Under Minimum of 7 Flowers Desirable		
	White / Ivory / Pastel / Blush	46D	446D
	Predominantly Yellow	47D	447D
	Predominantly Green	48D	448D
	Predominantly Pink	49D	449D
	Predominantly Red	50D	450D
	Pure Colour	51D	451D
	Predominantly Any Other Colour	52D	452D
Specimen Plant (5 racemes)	53D	453D	

Paphiopedilum	Any Species	54E	454E
	Group of 2 Species (Distinct)	55E	455E
	Specimen Species (3 Spikes)	56E	456E
	Specimen Hybrid (3 Spikes)	57E	457E
	Primary Hybrid (See special conditions)	58E	458E
	Non Standard Hybrid	59E	459E
	Any Paphiopedilum Seedling	60E	460E
	Multifloral Hybrid (3 or more flowers open)	61E	461E

Paphiopedilum Maudiae Type	Albanistic (No red pigment must be visible)	68E	468E
	Vini Colour / Flame	69E	469E
	Colouratum / any other	70E	470E

Paphiopedilum Standard Hybrid	Predominantly White / Cream	71E	471E
	Predominantly Pink / Red / Purple	72E	472E
	Predominantly Green / Yellow	73E	473E
	Predominantly Spotted	74E	474E
	Predominantly Any Other Colour	75E	475E

Paphiopedilum Any Hybrid	Group of Two (Distinct)	76E	476E
	Group of Three (Not Necessarily Distinct)	77E	477E

Laeliinae	Any Laeliinae Species	84F	484F
	Any Laeliinae Seedling	85F	485F
	Any Laeliinae Non Standard Hybrid	86F	486F

Laeliinae Hybrid Over 90mm	Predominantly White / Semi Alba	93F	493F
	Predominantly Pink / Mauve / Purple	94F	494F
	Predominantly Splash Petal	95F	495F
	Predominantly Any Other Colour	96F	496F

Laeliinae Hybrid 60mm to 90mm	Predominantly White / Semi Alba	102F	502F
	Predominantly Pink / Mauve / Purple	103F	503F
	Predominantly Splash Petal	104F	504F
	Predominantly Any Other Colour	105F	505F

Laeliinae Hybrid Under 60mm	Predominantly Pink / Mauve / Purple	110F	510F
	Predominantly Red / Orange	111F	511F
	Predominantly Splash Petal	112F	512F
	Predominantly Any Other Colour	113F	513F

Laeliinae Hybrid	Cluster Type all sizes - (Minimum 7 Flowers)	114F	514F
-------------------------	--	------	------

Laeliinae	Any Laeliinae Specimen Plant. (Species or Hybrid) (Minimum 3 Spikes)	115F	515F
------------------	---	------	------

Dendrobiums Excluding Australian Native	Species	118G	518G
	Seedling	119G	519G
	Eugenanthe any Colour. (Nobile Type) (Min 7 Flowers Desirable)	120G	520G
	Phalaenanthe Any Colour (Min 7 Flowers Desirable)	121G	521G
	Spatulata, Ceratobium, Antelope any Colour (Min 7 Flowers Desirable)	122G	522G
	Intermediate any Colour (Min 7 Flowers Desirable)	123G	523G
	Any Other Hybrid	124G	524G
	Any Specimen Plant (Species or Hybrid) (Min 3 Spikes)	125G	525G
Australian Native Dendrobium	Species <i>kingianum</i>	130H	530H
	Species <i>speciosum</i>	131H	531H
	Any Other Australian Native Dendrobium Species	132H	532H
Australian Native Dendrobium	Hybrid		
	Delicatum	139H	539H
	Hilda Poxon	140H	540H
	Predominantly White / Cream	141H	541H
	Predominantly Green / Yellow / Orange	142H	542H
	Predominantly Pink	143H	543H
	Predominantly Red / Purple	144H	544H
	Spots / Barring / Striped	145H	545H
	Any Other Colour or Combination	146H	546H
Australian Natives Excluding Dendrobiums	Sarcochilus Species	149H	549H
	Sarcochilus Hybrid	150H	550H
	Any Other Epiphyte Species	151H	551H
	Any Other Epiphyte Hybrid	152H	552H
	Any Terrestrial Species	153H	553H
	Any Terrestrial Hybrid	154H	554H
Australian Natives Excluding Dendrobiums	Any Australian Native Seedling	156H	556H
	Any Australian Native Specimen Species (Min 3 Spikes)	157H	557H
	Any Australian Native Specimen Hybrid (Min 3 Spikes)	158H	558H
Phalaenopsis Doritaenopsis	Any Phalaenopsis Seedling	163I	563I
	Any Seedling	164I	564I
	Any Non Standard Hybrid	165I	565I
	Peloric	166IA	566IA
Phalaenopsis Doritaenopsis Standard	Standard Shape Hybrid Over 90mm (Min 7 Flowers Desirable)	166IB	566IB
	Standard Shape Hybrid 60 to 90mm (Min 7 Flowers Desirable)	167I	567I
	Standard Shape Hybrid under 60mm (Min 7 Flowers Desirable)	168I	568I
	Specimen (Species or Hybrid any Size). Min 3 Spikes)	169I	569I

Vandaceous	Any Species	174J	574J
	Any Seedling	175J	575J
	Any Vanda / Ascocentrum Hybrid	176J	576J
	Any Other Vandaceous Hybrid	177J	577J
	Any Vandaceous Specimen (Species or Hybrid) (Min 3 Spikes)	178J	578J
Oncidiinae (Varicosum type 7 Flowers Desirable)	Any Oncidiinae Species	182K	582K
	Any Oncidiinae Seedling	183K	583K
	Any Oncidiinae Specimen Species (Min 3 Spikes)	184K	584K
	Any Oncidiinae Specimen Hybrid (Min 3 Spikes)	185K	585K
Any Oncidiinae Hybrid	Predominantly White	186K	586K
	Predominantly Yellow	187K	587K
	Predominantly Red / Pink	188K	588K
	Predominantly Brown	189K	589K
	Any Other Colour or Combinations of Colours	190K	590K
	Ocidium Varicosum Style Hybrid (Min 7 Flowers Desirable)	191K	591K
	Any Other Ocidium Hybrid	192K	592K
	Tolumnia Hybrid (Equitant Style)	193K	593K
Miltoniopsis	Any Hybrid	194K	594K
	Any Seedling	195K	595K
	Any Specimen (Minimum 3 Spikes)	196K	596K
Pleurothallidinae	Any Species (Masdevallia, etc)	197L	597L
	Any Seedling	198L	598L
	Any Specimen Species (Min 3 Spikes)	199L	599L
	Any Specimen Hybrid (Min 3 Spikes)	200L	600L
	Any Non Standard Hybrid	201L	601L
	Any Other Hybrid	202L	602L
Masdevallia Hybrid	Solid Colour – white, green, yellow and orange	203L	603L
	Solid Colour – pink, purple, brown	204L	604L
	Any Colour with Striping	205L	605L
	Any other combination of colour and markings	206L	606L
Dracula	Any Species	207L	607L
	Any Hybrid	208L	608L
Phragmipedium	Any Hybrid	210M	610M
	Any Species	211M	611M
	Any Seedling	212M	612M

Miscellaneous	Zygopetalum Any Species	215N	615N
	Zygopetalum Any Seedling	216N	616N
	Zygopetalum Specimen Species (Min 3 Spikes)	217N	617N
	Zygopetalum Specimen Hybrid (Min 3 Spikes)	218N	618N
	Zygopetalum Intergeneric Specimen. (Min 3 Spikes)	219N	619N
	Zygopetalum Any Hybrid. (Zygo x Zygo's only)	220N	620N
	Zygopetalum Intergeneric Any Hybrid	221N	621N
	Maxillarieae Any Species	225O	625O
	Maxillarieae Any Hybrid	226O	626O
	Dendrochilum Any Species	230P	630P
	Dendrochilum Any Hybrid	231P	631P
	Lycaste Any Species	234Q	634Q
	Lycaste Any Hybrid	235Q	635Q
	Any Other Species Not Elsewhere Specified	240R	640R
	Any Other Hybrid Not Elsewhere Specified	241R	641R
	Any Other Seedling Not Elsewhere Specified	242R	642R
	Any Other Specimen Not Elsewhere Specified Species (Min 3 Spikes)	243R	643R
	Any Other Specimen Not Elsewhere Specified Hybrid (Min 3 Spikes)	244R	644R
	Any Other Peloric Not Elsewhere Specified	245R	645R

Junior	Any Genus	646S

	Parents of the Bride	
	Orchids au Naturelle	
	Orchids & My Favourite Figurine	
Individual Displays	Table Top Display (Approx 1 square Metre)	F5
	Floor Display (3m x 3m)	F6

Floral Art:

Floral Art means orchid blooms, wired or otherwise and arranged with real or artificial foliage in the manner customarily adopted by florists for the purpose of being worn on the person or carried in the hand.

The form of the piece to be as specified in the schedule of competition i.e. posy, shoulder spray, wrist corsage (wristlet), bridal bouquets, or an arm sheaf.

- Design including suitability for the purpose 20 points
- Balance actual and visual 15 points
- Scale of flower(s) proportionate in size to materials used 15 points
- Originality of design and use of materials used 20 points
- Colour including clarity of colour and blending of colours 15 points
- Condition of materials including freshness substance texture and free of damage and defects 15 points

Total of 100 points

Notes:

- When judging if all things are equal the orchid flowers of good shape and form are preferred.
- Some embellishments are permitted i.e. ribbon, tulle, lace, braid, berries sprayed or natural material. Orchids remain the dominant feature of the design.
- Smaller flowers i.e. Gypsophila, Misty blue, pink or white may be used to enhance the orchid blooms but again orchids must predominate.
- Foliage may be natural, dried coloured.
- The use of florist's wire, tape, glue guns or similar material normally used by florists will be permitted but not visible.

Floral Arrangement:

- Floral arrangement means any arrangement of orchid blooms and foliage without wiring or any other means of artificial support, in or on a container, with the use of oasis or water, intended for interior decorating, not intended to be worn or carried.
- Design including the container chosen 20 points
- Balance actual and visual 15 points
- Scale of flower(s) proportionate in size to material used 15 points
- Originality of design and use of materials 20 points
- Colour including clarity of colour and blending of colours 15 points
- Condition of materials including freshness substance, texture and free of damage and defects 15 points

Total 100 points

Notes:

- When judging if all things are equal the orchid flowers of good shape and form are preferred.
- Some embellishments are permitted providing they suit the schedule and the orchids remain the dominant feature of the arrangement i.e. fruits, nuts, seed pods, braid and materials natural or coloured.
- Other flowers i.e. Gypsophila, Misty blue, pink or white may be used as a secondary flower material.
- The use of materials normally used by florists permitted; this includes the extension of vials as long as they are concealed.
- The arrangement must be suitably constructed to last for the duration of the show.

Championship List

All orchids that win a best of section will receive a Laminated Certificate	Grand Champion, Reserve Champion and Champion orchid in Novice will receive a Perpetual Trophy and a Laminated Champion Certificate.	
	Grand Champion A. Newman Trophy	
	Reserve Champion M. Munro (The Bevan Family Trophy)	
	Champion Orchid in Novice Section	
	Champion Paphiopedilum	
Best Cymbidium over 110mm	Champion Cymbidium	
Best Cymbidium 90 to 110mm		
Best Cymbidium 60 to 90mm		
Best Cymbidium under 60mm		
Best Cymbidium 60mm & under Pendulous / Cascading		
Best Cymbidium any Other		
Best Laeliinae over 90mm	Champion Laeliinae	
Best Laeliinae 60 to 90mm		
Best Laeliinae under 60mm		
Best Laeliinae any Other		
Best Australian Native Dendrobium	Champion Australian Native	
Best Australian Native Sarcophilus		
Best Australian Native any Other		
	Champion Oncidiinae	
	Champion Miscellaneous (Not Elsewhere)	
	Champion Seedling	
	Champion Species	
	Champion Specimen	
	Champion Pleurothallidinae (Masdevallia)	
Best Floral Arrangement	Champion Junior
